

**Scottish
Water**

Trusted to serve Scotland

General Information (cont.)

Local Access – Additional Information:

Whilst we kindly request that you adhere to the timed access slots as much as possible, should you require access out with these times then please call our site team on the numbers provided below and they will try to accommodate you.

Site contact details will be available should any residents require through the road closure out with the access times during the day. Site team will accommodate access as much as possible.

Should we for any reason make any changes to the closure times we will write to you with confirmation and update any on site signage.

If you need any assistance during these works, then please contact our site team in the first instance.

GMR Henderson Office – 01955 604664

Logan Henderson – 07943878159

David Herron – 07368339442

If you have any further queries, please contact the Scottish Water customer helpline on 0800 0778 778 quoting ‘Capital/529370/CWA/Occumster’.
